Ways to Load Your Capital OTB Phone-A-Bet Account:

There are 3 ways to load your CAPITAL BETS Account with OTBPay after you are registered. You will need your CAPITAL BETS Phone-A-Bet Account number and your OTBPay PIN Code to access your account.

Your default OTBPay PIN Code is your 5 digit ZIP CODE on your check.

To activate your OTBPay account, you MUST access your OTBPay account within 7 DAYS of your first funding via web or telephone and CHANGE YOUR PIN CODE. After 7 days your PIN code will expire and you may call **1-866-LOAD-OTB** to re-activate your account with an operator.

To load **UP TO** \$300 with instant availability of funds in your CAPITAL BETS Account, the cost is 4.5%
To load **OVER** \$300 with instant availability of funds in your CAPITAL BETS Account, the cost is 6.5%

When will the funds appear in my CAPITAL BETS Account?

Funds will appear in your CAPITAL BETS Account within 5 to 10 minutes after your transaction is approved. Plan ahead when loading your CAPITAL BETS Account and allow for sufficient time for the system to complete your request. Heavier volume during stakes season may increase the wait time for loads to appear in your CAPITAL BETS Account. Planning your funding ahead of time is always a winning strategy.

Is OTBPay Secure?

Whether you login on the web or call the toll free number, your transaction is secure. None of your personal information is shared with outside parties and you will not receive unrelated solicitations. Your OTBPay PIN code ensures that only you can access your account and initiate transactions.
